McELROY SETS SCHOOL RECORD FOR CONSECUTIVE COMPLETIONS

Junior quarterback Greg McElroy set a new Alabama school record for consecutive completions against FIU by completing 14 straight passes. That hot streak beat the old mark of 12 held by John Parker Wilson, who completed 12 consecutive passes over a two-game span in 2008 (at Tennessee and vs. Arkansas State), and Andrew Zow, who completed 12 straight vs. Mississippi on Oct. 14, 2000.

McELROY ALMOST FLAWLESS IN HOME DEBUT

In his first home game as the starting quarterback, Alabama junior quarterback Greg McElroy produced an extremely accurate single-game passing performance against FIU, completing 16 of his first 18 attempts (including 11 of 12 to start the game). He ended the game with an impressive 18-for-24 (75 percent) passing performance for 241 yards and 1 touchdown.

LEIGH TIFFIN TIES HIS FATHER ON ALABAMA'S CAREER FIELD GOALS LIST

Senior placekicker Leigh Tiffin converted two field goal attempts against FIU, making good on attempts from 23 and 29 yards. The two field goals gives Tiffin 59 in his Alabama career, ranking him tied for third place in Crimson Tide history behind Philip Doyle (78 from 1987-90), Michael Proctor (65 from 1992-95). He is now tied with his father, Van Tiffin (59 from 1983-86) on the Alabama career field goals list.

TRENT RICHARDSON HAS IMPRESSIVE HOME DEBUT

True freshman running back Trent Richardson enjoyed an impressive debut in his first action with the Crimson Tide at Bryant-Denny Stadium, rushing for 118 yards and 2 touchdowns on 15 carries against FIU. Richardson scored on runs of 9 and 35 yards in the second half to extend the Alabama lead from a 20-14 edge to 33-14 early in the fourth quarter.

McCOY HAS CAREER NIGHT DUE TO BIG FIRST HALF

Senior wide receiver Mike McCoy produced a huge game against FIU with 5 catches for 100 yards and 1 touchdown – all in the first half. McCoy's yardage eclipsed his previous career high of 47 yards vs. Georgia in 2007. His career-high for catches in a game is 6 vs. Georgia in 2007.

DEFENSE STRONG AGAINST THE RUN

The Alabama defense was strong against the run against FIU, holding the Golden Panthers to 1 yard rushing on 26 attempts. FIU finished the night with 214 total yards of offense to Alabama's 516 yards.

TIDE SCORES ON OPENING DRIVE

Alabama took the opening kickoff and marched to a field goal for a 3-0 lead on a 23-yard field goal by Leigh Tiffin with 9:02 left in the first quarter. Alabama has now scored a field goal on its opening possession in both games of the 2009 season, having marched to a Tiffin field goal to start the scoring last week in a 34-24 win over Virginia Tech. In the Nick Saban Era, Alabama has scored on its opening possession in 17 of 29 games. Over those 29 games, the Crimson Tide has started games by scoring nine touchdowns and has kicked eight field goals. Alabama scored on its first possession in nine of its 13 games in 2007 and six of its 14 games last season.

FAST-STARTING TIDE

Alabama has scored on six of its seven first quarter possessions this season, resulting in five field goals and one touchdown. The Crimson Tide has run 49 first quarter plays this season and totaled 271 yards against Virginia Tech and Florida International. Alabama scored on three of four possessions against Virginia Tech in the season opener and scored on all three first quarter drives against FIU. Greg McElroy completed 10 of 11 passes for 155 yards and one touchdown in the first period against FIU. Wide Receiver Mike McCoy caught four passes for 65 yards and one touchdown in the first quarter against FIU; including a 24-yard touchdown reception that gave the Tide a 10-0 lead.

FIRST-TIME STARTERS

Senior running back Roy Upchurch played in the 30th game of his Alabama career, but made the first start for the Crimson Tide against FIU. Sophomore H-Back Preston Dial made his first start for Alabama against FIU. On defense, sophomore free safety Robby Green made his first career start as the Tide employed five defensive backs on the first play of scrimmage against FIU.

ALABAMA 19-1 UNDER SABAN WHEN LEADING AT THE HALF

Alabama led FIU at halftime, 20-14. With the victory over FIU, Alabama improved to 19-1 when leading at halftime under head coach Nick Saban, including a 13-game winning streak. The only loss came against LSU during the 2007 season when UA held a 20-17 halftime lead before losing, 41-34, on Nov. 3, 2007, at Bryant-Denny Stadium. The Crimson Tide is 1-5 under Saban when trailing at halftime and 1-2 when tied at halftime. The lone win when trailing at the half came in the 34-24 win over No. 7 Virginia Tech last week in Atlanta. Alabama's lone win when tied at halftime came last year at LSU.

TONIGHT'S CAPTAINS

Alabama's game captains against Florida International were sophomore linebacker Dont'a Hightower, junior quarterback Greg McElroy, and offensive lineman Mike Johnson. Alabama won the coin toss and elected to receive. FIU chose to defend the north end zone.

Hilton's 96 yard return is the longest of his career, and the third-longest in FIU history (99 yards by Greg Moss in 2003 & 98 yards by Lionell Singleton in 2006).

With a reception in the second quarter, T.Y. Hilton has now caught a pass in 12 consecutive games after not having a reception in his collegiate debut.

•Alabama Postgame Quotes

Alabama Head Coach Nick Saban

Opening Statement:

I think we did a good job the entire game offensively and I think we controlled the line of scrimmage and ran the ball effectively. Greg [McElroy] did a very good job of taking what they gave him. He was accurate and made good decisions. 18 of 24 is pretty good and 13 in a row or whatever he did at one point is outstanding. There were some guys that stepped up today. Mike McCoy had 100 yards plus day after Julio went down. Most of what he caught was what we had planned to go to No. 8, but he did an outstanding job.

Trent Richardson got more of an opportunity in this game like we knew he would. Mark [Ingram] had been sick all week, but Mark played well as well. Roy [Upchurch] got an ankle sprain early in the game and couldn't continue to play, so Trent did a great job.

I think, defensively, we played a lot better in the second half. Special teams did a good job in the game except for the kickoff coverage and we need to continue to work on that to get that fixed. Two weeks in a row where you give up a kickoff return for a touchdown and then we do the alternative kicks and give up field position so that's something that we need to improve on.

I really wasn't happy with the energy and enthusiasm our team came out and played with in the first half. The focus in games like this is to improve. FIU's players played well in the game, they played hard. I have a tremendous amount of respect for the competitive spirit that they have. Mario's building a good program there and they really play like a true bunch of great competitive young people and I have a lot of respect for that. They played hard in the game today and they took it right to us.

I don't think our guys came out with the kind of energy, enthusiasm and intensity that we need to set the tone and we allowed them to stay in the game with some mistakes that we made and some things that we didn't do correctly. Giving up a big play on third and long when they've got the ball on the two yard line which changes field position. We got a pass interference which was a big play on what I think was second and long. There's a lot of things that we need to correct, there's a lot of things that we can correct and get better.

We got to play a lot of players out there today. I do think that Damion Square got a knee injury that is probably pretty serious. We don't know yet until they do a MRI, but we're pretty sure that he probably has a knee injury that is going to require surgery.

Lorenzo Washington

On FIU's offensive line:

"FIU played hard all night. They have a good team. Their offensive line made it tough for us against them with their blocks. We just had to get out there and do what we do."

Earl Alexander

On Corey Reamer and Mike McCoy contributing:

"Those guys are seniors and they did their job. We look to them as leaders on the team. They went in there and handled their business."

On Mike McCoy:

"He just found a way to get in there and had the opportunity to make some great plays. When they called his number, he was ready and did a great job."

Mike Johnson

On still putting up offensive numbers without Mark Ingram, Roy Upchurch, Julio Jones, etc.:

"I think we put up just over 200 yards last time against FIU so it's huge for us to come out and put up big numbers. We'd like for that to transfer more onto the scoreboard. It was a struggle getting points actually on the scoreboard tonight, but the yardage was there and we just grinded it out. Everybody did a good job. Trent [Richardson] ran like he was possessed and we got it in the end zone right there at the end and were able to come out with a big win."

Colin Peek

On Trent Richardson:

"Trent is a magnificent player. I've been waiting for him to have a huge breakout day. Trent has so much talent, he's a true freshman and just for him to step in like that and play so well. You hope for that to happen but when it does happen, it's just a great thing for him and his family. I know he was battling some nicks and bruises and he was just hurdling people, pounding people. I was just proud to have him as my running back, especially when you have somebody explosive like that. It makes blocking a lot more fun because then if you block your man, then he hits the hole and houses it. He's just such a phenomenal player."

Greg McElroy

On FIU's pressure:

"I got sacked once actually on play action, they blitzed from the back and there was just a little miscommunication so there was a little disappointed but what can you do? It's a part of the game, we kept the momentum going."

On difference between his game in week one and week two:

"I think I just felt the need not to pass, I settled into my game last week in the second half and just threw completions. The fact that that kind of carried over to this week, it allowed me to be more successful in the passing game and be more efficient. The fact that we did that, set those records, is amazing."

•FIU Postgame Quotes

Florida International Head Coach Mario Cristobal

Opening Statement:

“It was a real, real hard fought game and real good effort by our guys, particularly in the first half, but we have to hold up in protection a little more in the second half. Obviously, we’re never satisfied with a defeat, but give credit to Alabama. The Crimson Tide really plays good football, and they played good football again tonight when they had to win the football game.”

On how much depth was a factor in the game:

“Well I think that’s the difference in our program, one that’s growing, versus one that’s been established for a long, long time. You’ve got your second and third teams going in there and rotating. What happens with us being a young program, you have something happen like to Ashlyn Parker. It’s play 75, 80 or 85 and now you have a foot get stuck in the ground and you hurt a knee. I think that’s when it takes its toll, in the second half. Again, give credit to them. They were able to roll them in and roll them out, but it did take its toll on us in the second half.”

On whether or not he was surprised by how much Greg McElroy threw the ball in the first half:

“Not really. I think he’s a real good football player. He really is. I know he didn’t get a chance to throw it much against Virginia Tech last week, but he’s an accurate passer, he’s got great feet, he’s very mobile and has a great understanding for the game. We were impressed with him on film and I thought their offensive line did a great job giving him time. I thought their offensive coordinator did a great job mixing up the play action, the quick game and some other stuff to mix up our defensive line and keep us off of him. Of course his wide receivers are good football players and big guys that can run, and they find a way to catch the football.”

QB Paul McCall

On how the team competed tonight:

“It’s nice to put up points against a defense like that. We hung with them for three quarters of the game, but that’s not going to do it. You don’t get too many chances to play the fourth-ranked team in the nation and get shots like we got tonight. They are a good team and they showed why they are ranked No. 4 in the country by the way they were able to finish tonight.”

On why Alabama was able to get more pressure on him in the second half:

“That’s my fault. My eyes came down from the coverage and I was looking at things I didn’t need to be looking at. That’s inexcusable and it hurt the team tonight. I need to be able to get the ball in the hands’ of my receivers quicker. They also made some second half adjustments. They stopped blitzing and relied on getting pressure with a four man front. Kudos to them for making the adjustments, but we need to be able to come back and counterpunch. That starts with me. I need to do a better job of seeing where guys are going to be and putting it in their hands.”

WR Greg Ellingson

On why Alabama was able to pull away in the second half:

“I think it was a lack of execution on our part. When they had a chance to execute and make a big play, they did. You have to give them credit for that. When we had the chance, we didn’t, including myself. I had the chance to make a catch on third down and didn’t.”

On how he was able to get open consistently:

“I think it is just the scheme of all the plays. On some routes T.Y (Hilton) is going to be open, and on others I am. It’s also due to good placement by Paul (McCall).”

On what the team can take away from tonight’s game:

“We know we can hang with the big dogs. Tonight they just executed better than we did.”

Senior placekicker Leigh Tiffin converted two field goal attempts against FIU, making good on attempts from 23 and 29 yards. The two field goals gives Tiffin 59 in his Alabama career, ranking him tied for third place in Crimson Tide history behind Philip Doyle (78 from 1987-90), Michael Proctor (65 from 1992-95). He is now tied with his father, Van Tiffin (59 from 1983-86) on the Alabama career field goals list.

TRENT RICHARDSON HAS IMPRESSIVE HOME DEBUT

True freshman running back Trent Richardson enjoyed an impressive debut in his first action with the Crimson Tide at Bryant-Denny Stadium, rushing for 118 yards and 2 touchdowns on 15 carries against FIU. Richardson scored on runs of 9 and 35 yards in the second half to extend the Alabama lead from a 20-14 edge to 33-14 early in the fourth quarter.

McCOY HAS CAREER NIGHT DUE TO BIG FIRST HALF

Senior wide receiver Mike McCoy produced a huge game against FIU with 5 catches for 100 yards and 1 touchdown – all in the first half. McCoy's yardage eclipsed his previous career high of 47 yards vs. Georgia in 2007. His career-high for catches in a game is 6 vs. Georgia in 2007.

DEFENSE STRONG AGAINST THE RUN

The Alabama defense was strong against the run against FIU, holding the Golden Panthers to 1 yard rushing on 26 attempts. FIU finished the night with 214 total yards of offense to Alabama's 516 yards.

TIDE SCORES ON OPENING DRIVE

Alabama took the opening kickoff and marched to a field goal for a 3-0 lead on a 23-yard field goal by Leigh Tiffin with 9:02 left in the first quarter. Alabama has now scored a field goal on its opening possession in both games of the 2009 season, having marched to a Tiffin field goal to start the scoring last week in a 34-24 win over Virginia Tech. In the Nick Saban Era, Alabama has scored on its opening possession in 17 of 29 games. Over those 29 games, the Crimson Tide has started games by scoring nine touchdowns and has kicked eight field goals. Alabama scored on its first possession in nine of its 13 games in 2007 and six of its 14 games last season.

FAST-STARTING TIDE

Alabama has scored on six of its seven first quarter possessions this season, resulting in five field goals and one touchdown. The Crimson Tide has run 49 first quarter plays this season and totaled 271 yards against Virginia Tech and Florida International. Alabama scored on three of four possessions against Virginia Tech in the season opener and scored on all three first quarter drives against FIU. Greg McElroy completed 10 of 11 passes for 155 yards and one touchdown in the first period against FIU. Wide Receiver Mike McCoy caught four passes for 65 yards and one touchdown in the first quarter against FIU; including a 24-yard touchdown reception that gave the Tide a 10-0 lead.

FIRST-TIME STARTERS

Senior running back Roy Upchurch played in the 30th game of his Alabama career, but made the first start for the Crimson Tide against FIU. Sophomore H-Back Preston Dial made his first start for Alabama against FIU. On defense, sophomore free safety Robby Green made his first career start as the Tide employed five defensive backs on the first play of scrimmage against FIU.

ALABAMA 19-1 UNDER SABAN WHEN LEADING AT THE HALF

Alabama led FIU at halftime, 20-14. With the victory over FIU, Alabama improved to 19-1 when leading at halftime under head coach Nick Saban, including a 13-game winning streak. The only loss came against LSU during the 2007 season when UA held a 20-17 halftime lead before losing, 41-34, on Nov. 3, 2007, at Bryant-Denny Stadium. The Crimson Tide is 1-5 under Saban when trailing at halftime and 1-2 when tied at halftime. The lone win when trailing at the half came in the 34-24 win over No. 7 Virginia Tech last week in Atlanta. Alabama's lone win when tied at halftime came last year at LSU.

TONIGHT'S CAPTAINS

Alabama's game captains against Florida International were sophomore linebacker Dont'a Hightower, junior quarterback Greg McElroy, and offensive lineman Mike Johnson. Alabama won the coin toss and elected to receive. FIU chose to defend the north end zone.

Alabama Head Coach Nick Saban

Opening Statement:

I think we did a good job the entire game offensively and I think we controlled the line of scrimmage and ran the ball effectively. Greg [McElroy] did a very good job of taking what they gave him. He was accurate and made good decisions. 18 of 24 is pretty good and 13 in a row or whatever he did at one point is outstanding. There were some guys that stepped up today. Mike McCoy had 100 yards plus day after Julio went down. Most of what he caught was what we had planned to go to No. 8, but he did an outstanding job.

Trent Richardson got more of an opportunity in this game like we knew he would. Mark [Ingram] had been sick all week, but Mark played well as well. Roy [Upchurch] got an ankle sprain early in the game and couldn't continue to play, so Trent did a great job.

I think, defensively, we played a lot better in the second half. Special teams did a good job in the game except for the kickoff coverage and we need to continue to work on that to get that fixed. Two weeks in a row where you give up a kickoff return for a touchdown and then we do the alternative kicks and give up field position so that's something that we need to improve on.

I really wasn't happy with the energy and enthusiasm our team came out and played with in the first half. The focus in games like this is to improve. FIU's players played well in the game, they played hard. I have a tremendous amount of respect for the competitive spirit that they have. Mario's building a good program there and they really play like a true bunch of great competitive young people and I have a lot of respect for that. They played hard in the game today and they took it right to us.

I don't think our guys came out with the kind of energy, enthusiasm and intensity that we need to set the tone and we allowed them to stay in the game with some mistakes that we made and some things that we didn't do correctly. Giving up a big play on third and long when they've got the ball on the two yard line which changes field position. We got a pass interference which was a big play on what I think was second and long. There's a lot of things that we need to correct, there's a lot of things that we can correct and get better.

We got to play a lot of players out there today. I do think that Damion Square got a knee injury that is probably pretty serious. We don't know yet until they do a MRI, but we're pretty sure that he probably has a knee injury that is going to require surgery.

Lorenzo Washington

On FIU's offensive line:

"FIU played hard all night. They have a good team. Their offensive line made it tough for us against them with their blocks. We just had to get out there and do what we do."

Earl Alexander

On Corey Reamer and Mike McCoy contributing:

"Those guys are seniors and they did their job. We look to them as leaders on the team. They went in there and handled their business."

On Mike McCoy:

"He just found a way to get in there and had the opportunity to make some great plays. When they called his number, he was ready and did a great job."

Mike Johnson

On still putting up offensive numbers without Mark Ingram, Roy Upchurch, Julio Jones, etc.:

"I think we put up just over 200 yards last time against FIU so it's huge for us to come out and put up big numbers. We'd like for that to transfer more onto the scoreboard. It was a struggle getting points actually on the scoreboard tonight, but the yardage was there and we just grinded it out. Everybody did a good job. Trent [Richardson] ran like he was possessed and we got it in the end zone right there at the end and were able to come out with a big win."

Colin Peek

On Trent Richardson:

"Trent is a magnificent player. I've been waiting for him to have a huge breakout day. Trent has so much talent, he's a true freshman and just for him to step in like that and play so well. You hope for that to happen but when it does happen, it's just a great thing for him and his family. I know he was battling some nicks and bruises and he was just hurdling people, pounding people. I was just proud to have him as my running back, especially when you have somebody explosive like that. It makes blocking a lot more fun because then if you block your man, then he hits the hole and houses it. He's just such a phenomenal player."

Greg McElroy

On FIU's pressure:

"I got sacked once actually on play action, they blitzed from the back and there was just a little miscommunication so there was a little disappointed but what can you do? It's a part of the game, we kept the momentum going."

On difference between his game in week one and week two:

"I think I just felt the need not to pass, I settled into my game last week in the second half and just threw completions. The fact that that kind of carried over to this week, it allowed me to be more successful in the passing game and be more efficient. The fact that we did that, set those records, is amazing."

•FIU Postgame Quotes

Florida International Head Coach Mario Cristobal

Opening Statement:

“It was a real, real hard fought game and real good effort by our guys, particularly in the first half, but we have to hold up in protection a little more in the second half. Obviously, we’re never satisfied with a defeat, but give credit to Alabama. The Crimson Tide really plays good football, and they played good football again tonight when they had to win the football game.”

On how much depth was a factor in the game:

“Well I think that’s the difference in our program, one that’s growing, versus one that’s been established for a long, long time. You’ve got your second and third teams going in there and rotating. What happens with us being a young program, you have something happen like to Ashlyn Parker. It’s play 75, 80 or 85 and now you have a foot get stuck in the ground and you hurt a knee. I think that’s when it takes its toll, in the second half. Again, give credit to them. They were able to roll them in and roll them out, but it did take its toll on us in the second half.”

On whether or not he was surprised by how much Greg McElroy threw the ball in the first half:

“Not really. I think he’s a real good football player. He really is. I know he didn’t get a chance to throw it much against Virginia Tech last week, but he’s an accurate passer, he’s got great feet, he’s very mobile and has a great understanding for the game. We were impressed with him on film and I thought their offensive line did a great job giving him time. I thought their offensive coordinator did a great job mixing up the play action, the quick game and some other stuff to mix up our defensive line and keep us off of him. Of course his wide receivers are good football players and big guys that can run, and they find a way to catch the football.”

QB Paul McCall

On how the team competed tonight:

“It’s nice to put up points against a defense like that. We hung with them for three quarters of the game, but that’s not going to do it. You don’t get too many chances to play the fourth-ranked team in the nation and get shots like we got tonight. They are a good team and they showed why they are ranked No. 4 in the country by the way they were able to finish tonight.”

On why Alabama was able to get more pressure on him in the second half:

“That’s my fault. My eyes came down from the coverage and I was looking at things I didn’t need to be looking at. That’s inexcusable and it hurt the team tonight. I need to be able to get the ball in the hands’ of my receivers quicker. They also made some second half adjustments. They stopped blitzing and relied on getting pressure with a four man front. Kudos to them for making the adjustments, but we need to be able to come back and counterpunch. That starts with me. I need to do a better job of seeing where guys are going to be and putting it in their hands.”

WR Greg Ellingson

On why Alabama was able to pull away in the second half:

“I think it was a lack of execution on our part. When they had a chance to execute and make a big play, they did. You have to give them credit for that. When we had the chance, we didn’t, including myself. I had the chance to make a catch on third down and didn’t.”

On how he was able to get open consistently:

“I think it is just the scheme of all the plays. On some routes T.Y (Hilton) is going to be open, and on others I am. It’s also due to good placement by Paul (McCall).”

On what the team can take away from tonight’s game:

“We know we can hang with the big dogs. Tonight they just executed better than we did.”
