NOTE: All Clubs are required to provide the NFL office and issue to local media the names of injured players who missed any portion of 11-on-11 team drills. A "no" designation in the "practiced" column above indicates that the player missed all or part of 11-on-11 team drills for that day.

KEY:
 Out Player definitely will not play
 Doubtful At least 75% chance the player will not play
 Questionable A 50-50 chance the player will not play
 Probable Virtual certainty that the player will be available for normal duty
